

A weekend of Prayer Over Students is Aug. 5-7, 2022.

Please join us in praying for students, teachers, faculty and administration. They need our prayers now more than ever! Please pray for the health and safety of each school campus. Be in constant prayer for students who don't know Christ. Pray that Christian students will be bold in sharing their faith and that God will take away any fears they may have.

There are multiple ways you can be involved during the Weekend of Prayer:

When you pass by a school, pray for that school. Make a school zone your prayer zone and drive around the school as you pray.

Take time to encourage students, teachers and administration. Call, text or mail them an encouraging card to let them know you are praying for them. Provide them with a specific Bible verse you plan to pray over them throughout this school year.

Commission students before they return to school. Talk with your pastor about your church congregation praying over and commissioning students to go and be disciples in their school.

Will you join this prayer movement? Commit today to pray!
